**MAKE SURE THAT YOU WRITE ALL YOUR ANSWERS ON THIS EXAM PAPER.**

Hi Anna,

At last, I have filled in my application form and sent it off. It took ages. As well as all my personal details, they wanted the names of two referees, financial guarantees, and I had to attach a personal statement saying why I wanted to go to Wanstow. Anyway, the deadline is next Friday, the website said they might take about six weeks to process the application after they acknowledge it, then I might be called for an interview.

By that time the references have to be in. I am just hoping that because I am a mature student. I might have a good chance of being offered a place –Wanstow has a lot of mature students and they have a strong equal opportunities policy. The fees are pretty high but I can get a student loan if I get in.

Susan.
